

## Personal Development Programme

Cost €299 EU/£289 UK

**This programme consists of 3 x 1-hour Personal Development Coaching sessions, spread over 6 months, combined with resources and workshops. It will allow you to identify your learning goals and implement plans to meet them, whilst being challenged and supported.**

### **This programme will help you to:**

- Identify where you want to be in the future
- Consider skills and knowledge you need to develop to achieve your future goals
- Accelerate your development with modern learning practices
- Have the opportunity to 'go deep' with particular learning practices, such as building learning networks, working out loud, or dealing with any skills challenges.
- Practice and explore any specific challenges you are facing in our Personal Development Coaching sessions

### **What you get:**

- 3 x 1-hour **Personal Development Coaching** sessions – delivered via Zoom, scheduled to suit your needs over a 6-month period
- Our **Personal Development Workbook** will allow you to get started on your learning journey by helping you assess and prioritise your development needs
- An invitation to our regular **Open Workshops** – example topics: How to be a Social Learner, Creativity and Curiosity as tools for Learning, How to Find a Mentor
- Our **Modern Learner resources** – our collection of resources and tools will help you get started on your learning journey, as well as giving you the tools and techniques to be a self-directed learner for life
- 12 months access to **LearningPlanet video library** – over 400 videos and workbooks covering management and leadership skills

### **Taking bookings for March - August**
